Dear Disney Families,

I am sad to inform you of a sudden and terrible loss to our school community. Two of our students, Addison and Mason Sanders, tragically passed away on Monday, August 27. Our thoughts are with their family during this difficult time.

You may have seen on social media about a memorial being planned for Addison and Mason at Disney Magnet School. While we will certainly honor their memory, no such memorial has been organized at this time. We will share details of any such gathering, as well as information on memorial services being planned by the family, when those details become available.

We will do everything possible to support our school community in the wake of this tragedy. Our school counselors, as well as the CPS Crisis Team, will be available to provide support for students and staff when school begins on Tuesday, September 4.

I thank you for your support and if you have any questions or concerns, please contact the school directly.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen Hagstrom".
